

GREAT SANKEY PARISH COUNCIL

Finance Committee

Minutes of meeting: Tuesday 5th September 2023
Whittle Hall Community Centre

Chair: Cllr Watson
Present: Cllr Clark Cllr Hussain
 Cllr Pennigton Cllr Cotter

In Attendance: K Carter (Clerk)

- 1. To receive and approve any apologies for unavoidable absence.**
Apologies were received from Cllr Price.
- 2. To approve the minutes of previous meeting 1/8/2023.**
The draft minutes were moved and accepted as a true record of the meeting and signed as such.

FINANCE/2023/71

RESOLVED: To approve the minutes of the meeting held on 1st August 2023 as a true record.

- 3. To receive a report on GNWA5 at Hood Lane Community Centre.**
The report confirmed that the food hub, part of the Warrington food network including Warrington Foodbank, had reopened at the beginning of September, although 12 emergency requests were dealt with during August. On average, 35-40 households within Great Sankey are covered on a Sunday from Hood Lane Community Centre (approx. 68 people) with around 6 volunteers and drivers.

It was agreed that the service is clearly still needed by residents in the parish; it was therefore decided to extend free use of the centre by the group until the end of January 2024 when the provision will be reviewed again.

FINANCE/2023/72

RESOLVED: To extend the free use of Hood Lane Community Centre for the Food Hub, GNWA5 until 31 January 2024 and review at this time.

- 4. Update on action plan for outstanding items.**
EV Charger and defibrillator at Whittle Hall - awaiting input from electrician.
- 5. To discuss suggestion from WHJFC for additional storage for portable lights, container or portacabin, on the Parish Playing Field.**
Whittle Hall JFC are looking at grants to purchase some portable lighting for use on the Parish Playing Field as the lack of lighting limits playing time. These are a significant expense and therefore need secure storage but wouldn't fit in the current container on the field. Before the club investigates funding further, they are requesting whether the Parish Council would allow a second container on the field. The committee were in favour of this in principle. A second, smaller container could fit on the current hardstanding without impeding vehicle access to the site. There are also possibilities for building a bespoke container similar to that installed by WBC on Crosfields Recreation Ground.

FINANCE/2023/73

RECOMMENDED: To agree in principle to WHJFC installing a second container on the Parish Playing Field for the storage of portable lights. Location and detail of container to be agreed at a future date.

7. To consider any quotes received and authorise or make recommendations to full Council where appropriate.

Installation of a solar PV system at Tim Parry Community Centre. A quote had been obtained from Nightingale Electrical who installed the systems at Whittle Hall and Bewsey Barn Community Centres. No other contractors were approached for a quote as the systems in the other centres were only installed in Feb/March 2023 and the council had obtained full quotes for those. The system would be a slightly larger kW system than those because with the customer use pattern within the centre with an estimated payback period of 6years. It was proposed the spend would come from earmarked reserves and this was agreed.

FINANCE/2023/75

RECOMMENDED: To engage Nightingale Electrical to install a solar PV system at Tim Parry Community Centre (£16,320 incl. VAT).

Noted that Holly Oak Tree Services have been engaged to cut back the shrubs from the highway as requested by WBC. This had been mentioned at the previous meeting and is a specialist service; cost for the work is £12,840.

FINANCE/2023/76

RESOLVED: To engage Holly Oaks Tree Services to cut back trees and shrubs from the highway alongside Childs Wood Field as requested by WBC.
